Good afternoon:

Drs. Gentry and Mundt is requesting a meeting with Vince, Gina, and you, to discuss recent work they have been conducting for formaldehyde. They sent dates when they will be available to meet, i.e., October 25 and 27, as well as November 2, 7, or 8. Please let me know your availability for all dates so I can respond to their request. Hopefully, all of you will be able to do this on one of the dates provided.

Thank you.
